BRANNAN'S NEW STORE .-- Attention is directed to the advertisement of Mr. Brannan's new store, in this paper. We desire in this connection to give a word of commendation to that clever gentleman for the taste and liberality which he has displayed in the erection of a beautiful store house on the south side of our public square, which ought to be used as a model for the future improvement of that side of the square -Mr. B., to his credit be it said, has spared Canneron, Grier & Co. neither trouble or expense in the erection of this building, and we thank him for ourself and for the community at large, for the NASHVILLE, ornament he has erected. We would also direct special attention to the handsome job of painting done on this building by our fellow-townsmen, Messrs. Bunn & CREBBS. The graining and glossing cannot be excelled in America or any other country, and they deserve recognition at our hands as the best painters that ever wielded a brush in Tennessee. Go and see Mr. Brannan's house and elegant stock of goods.

MR. SEWARD, it is said, expresses the opinion that universal suffrage and univer sal amnesty will be the basis upon which the work of restoration will be finally completed.

Nashville Cotton Market.

The Banner of the 28th says the tendency of the cotton market is still upward .-Buyers are more numerous and eager, and holders are recovering the confidence which the steady decline of the past three weeks SALT, COFFEE, SUGAR, ETC., operated so greatly to impair. It is generally believed that the "bottom has been reached," and that those interested in depressing the market have about played their last card. Under these influences the mark- MEDICAL CARD. et was extremely buoyant and active today, operating to produce symptoms of reviving animation in all branches of trade,

Asother of Tennessee's most distinguished and honored sons has passed away. Hon. Cave Johnson expired at his residence, in Clarksville, on Friday last, aged seventytwo years.

The knowing ones say the President will indorse, in his message, a plan submitted by the Secretary of the Treasury for a return to specie payments.
